**Subject: Request for Proceeding the Sub-contract (Addendum No. 1) between  
NKV and BRITEC - D/D of Hanoi City Ring Road No. 3 Construction Project,  
Mai Dich - South Thang Long Section**

Dear Sir,

We appreciate your kind cooperation in the captioned Project.

We just completed the appraisal process with TCQM-MOT on the design parts and are necessary to submit our final design outputs including additional design covered by Addendum No.1 by 28th May, 2016.

We understand the Addendum No.1 is still under approval process by reason of delaying MOT's action. However, for completion of final design outputs on time, we would like to ask your kind cooperation in proceeding Sub-contract (Addendum No. 1) with BRITEC as soon as possible.

Thank you for your kind cooperation.

Sincerely yours,

**Tetsuya MAEDA**
